Five-year-old solid bay gelding stands 14.2 hands high, is a handy size, and is easy to catch! Levi's bay heading horse, Slick, and Spartacus are out of the same dam! We had high hopes for him as a keeper for us, but since he has a little more rip than most, he isn't a fit for us so he is up for sale. He is not for a beginner rider or a novice roper. Spartacus will have two months heeling training by Levi O'keeffe. He has been sound his whole life, no scars, up-to-date on vaccinations, wormer, and trims. Baseline X-rays of his hocks were done when he was a two-year-old. Videos available.

Escalade is a sound, gentle gelding who would be a good beginner head horse. He will stay in there all day for someone who is learning to rope and dally. He would be a really good horse for anyone who ropes in the # 12 and down. He has been hauled all over from jackpots to rodeos and has been through barriers. JST Hollys Colonel, "Farris" is a 2012 gelding, 15 hands, and 1250 pounds. BREAKAWAY ROPERS take a look! Farris is a hauled and won on Head horse and also an excellent Heel/Breakaway horse. He's got a lot of look and style to go along with his ability in the arena. Great mover and very easy to rope on. Farris has been ranched on extensively by an older gentleman and is a sure pick to cover country and get the work done. Gentle, easy to catch, saddle, haul, and shoe. This horse has been a pleasure to ride, rope on, and handle since we got him. Plenty of go power, so maybe not for a beginner, but approximately #4 ropers on up will enjoy this horse. Great team roping horse, but we feel his ability to leave the box flat n' fast as well as his natural stop, make him a prime candidate to do big things in the breakaway roping. Come try him before the Sale. Call Paul at 605-484-7117. Videos will be availalbe on YouTube under Griemsmen Performance Horses.
